In either case, the contractor shall be required to repack the articles in a suitable manner without additional cost to the Government.

(d) If the workday ends before packing is completed, before the packers finish at a residence, the cartons shall be placed in a secure storage area at the work site if the COR so directs. The cartons shall be packed into lift vans on the next workday.

(e) After the entire containers have been loaded, sealed, and the contractor has placed the security seals to each lift van in presence of the employee who owns the personal cargo, the contractor shall transport them to the work site or storage facility specified and approved by the COR and securely wrap the pack lift vans with metal bands.

SECTION G - CONTRACT ADMINISTRATION DATA

G.1 652.242-70 CONTRACTING OFFICER'S REPRESENTATIVE (COR) (AUG 1999)

(a) The Contracting Officer may designate in writing one or more Government employees, by name or position title, to take action for the Contracting Officer under this contract. Each designee shall be identified as a Contracting Officer's Representative (COR). Such designation(s) shall specify the scope and limitations of the authority so delegated; provided, that the designee shall not change the terms or conditions of the contract, unless the COR is a warranted Contracting Officer and this authority is delegated in the designation.

(b) The CORs for this contract are:

Assistant General Services Officer
Customs and Shipping Unit
American Embassy, Bogota
571-383-2502

G.1.2 DUTIES

The COR is responsible for inspection and acceptance of services. These duties include review of Contractor invoices, including the supporting documentation required by the contract. The COR may provide technical advice, substantive guidance, inspections, invoice approval, and other purposes as deemed necessary under the contract.

G.2 SUBMISSION OF INVOICES AND PAYMENT

G.2.1 Invoices shall be submitted in an original and one (1) copy to the Contracting Officer's Representative (COR) at the following address (designated payment office only for the purpose of submitting invoices):

American Embassy
Attn: Financial Management Office
Carrera 45 No. 24B-27
Bogota, Colombia

Special Instructions: Not to leave any invoice or documentation with the Embassy local guards in this address for distribution. It is mandatory to contact one of the Customs & Shipping local employees and hand deliver all the documentation to one of the employees of the General Services Office.

G.2.2 Payment for services will be upon presentation of an acceptable invoice. The Government will disallow expenditures for international air and on foreign flag air carriers unless the appropriate certificate or waiver is attached to invoices. The

certification used in clause 52.247-63, Preference for U.S.-Flag Air Carriers, satisfies the justification requirement.

G.3 SELECTION OF AWARDEE FOR INDIVIDUAL TASK ORDERS

(a) If more than one contractor has received an award for these services, the following procedures shall govern regarding issuance of individual task orders. No work shall be performed without a task order being issued to the contractor by the Contracting Officer.

(b) As the need for services arises, the Government will develop a price estimate. If the estimate does not exceed US\$3000, the Government will follow the procedures in paragraph (c) below. If the estimate exceeds US\$3000, the Government will follow the procedures in paragraph (d) below.

(c) Orders not exceeding US\$3000 - The Government will select a contractor for issuance of the task order. This decision will be based on the Government's best interests, which may include factors such as estimated price; past performance record; need to meet contractual minimums; or desire to avoid exceeding task order limitations set forth in Section I, FAR 52.216-19, "Order Limitations".

(d) Orders exceeding US\$3000 - Unless one of the exceptions in paragraph (e) below applies, the Government will follow one of the following two scenarios:

(1) The Government will request each contractor to perform, AT NO COST TO THE GOVERNMENT, a pre-shipment survey after which the contractor will present an estimate to the Government. Whether or not the contractor is selected for an individual task order, the Government shall not be liable for any claim from the Contractor for the costs of performing the pre-shipment survey. Selection will be based on a combination of estimated price and past performance information to include as a minimum the accuracy of previous surveys; or

(2) If the Contracting Officer can establish which Contractor's prices will result in the lowest price for the individual task order without requesting a pre-shipment survey, the Government will make its award selection based upon the prices set forth in the contract and past performance information gained as a result of contractor performance under this contract.

(3) Regardless of whether the procedures in paragraph (1) or (2) above were followed, selection of contractors shall not be protestable to GAO under Subpart 33.1 of the Federal Acquisition Regulation, except on the grounds that the order increases the scope, period, or maximum value of the contract. However, the Department of State does have an Acquisition Ombudsman who will review complaints by contractors to ensure that all contractors are afforded a fair opportunity to be considered for these task orders, pursuant to the procedures for award of task orders established herein.

(e) Exceptions to the procedures in paragraph (d) above:

(1) The agency need for the required services is of such urgency that providing such competitive opportunity would result in unacceptable delays;

(2) The order should be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order; or

(3) It is necessary to place an order to satisfy a minimum guarantee.

G.4 VALUE ADDED TAX

The contractor shall show Value Added Tax (VAT) / Impuesto Valor Agregado (IVA) as a separate line item on invoices submitted for payment.

(c) Personal Injury, Property Loss or Damage (Liability). The contractor hereby assumes absolute responsibility and liability for any and all personal injuries or death and/or property damage or losses suffered due to negligence of the contractor's personnel in the performance of the services required under this contract. (b) Except as provided in paragraph (e) of this clause, during the term of this contract, the Contractor shall post a notice, in the form of a poster, informing employees of their rights concerning union membership and payment of union dues and fees, in conspicuous places in and about all its plants and offices, including all places where notices to employees are customarily posted. The notice shall include the following information (except that the information pertaining to National Labor Relations Board shall not be included in notices posted in the plants or offices of carriers subject to the Railway Labor Act, as amended (45 U.S.C. 151– 188)).

Notice to Employees

Under Federal law, employees cannot be required to join a union or maintain membership in a union in order to retain their jobs. Under certain conditions, the law permits a union and an employer to enter into a union-security agreement requiring employees to pay uniform periodic dues and initiation fees. However, employees who are not union members can object to the use of their payments for certain purposes and can only be required to pay their share of union costs relating to collective bargaining, contract administration, and grievance adjustment.

If you do not want to pay that portion of dues or fees used to support activities not related to collective bargaining, contract administration, or grievance adjustment, you are entitled to an appropriate reduction in your payment. If you believe that you have been required to pay dues or fees used in part to support activities not related to collective bargaining, contract administration, or grievance adjustment, you may be entitled to a refund and to an appropriate reduction in future payments.

For further information concerning your rights, you may wish to contact the National Labor Relations Board (NLRB) either at one of its Regional offices or at the following address or toll free number:

Such other sanctions or remedies may be imposed as are provided by 29 CFR part 470, which implements Executive Order 13201, or as are otherwise provided by law.

(ii) Such a waiver will not interfere with or impede the effectuation of the Executive order; or

(5) Work outside the United States that does not involve the recruitment or employment of workers within the United States.

For indefinite quantity subcontracts, the Contractor shall include the substance of this clause if the value of orders in any calendar year of the subcontract is expected to exceed the simplified acquisition threshold. Pursuant to 29 CFR part 470, Subpart B— Compliance Evaluations, Complaint Investigations and Enforcement Procedures, the Secretary of Labor may direct the Contractor to take such action in the enforcement of these regulations, including the imposition of sanctions for noncompliance with respect to any such subcontract or purchase order. K.6 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (MAY 2008)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The Offeror and/or any of its Principals—

(A) Are ___ are not ___ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ___ have not ___, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes

relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are ____ are not ____ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) Have ____, have not ____, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has ____ has not ____, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

K.7 52.215-6 PLACE OF PERFORMANCE. (OCT 97)

(b) If the offeror or quoter checks intends in paragraph (a) above, it shall insert in the spaces provided below the required information:
